PERSONAL PROJECT EXPERIENCE

Portfolio: - HTML, CSS and JavaScript

- Based on landing page, home page, blog page, service page, Intro page, contact page and signup & sign in page of portal by using Html, CSS and JavaScript.

Amazon Clone: - HTML, CSS

- I've created an Amazon clone e-commerce website using only HTML and CSS. The website replicates the user interface and design elements of Amazon, allowing customers to explore a variety of products, add items to their cart, and experience a familiar shopping interface.

Doraemon-themed Web Project: - HTML, CSS, CSS ANIMATION

- Developed a captivating web project inspired by Doraemon using HTML and CSS, featuring animations and interactive elements, showcasing both design and coding skills.

Colmar Academy: -HTML, CSS

- Based on landing page of E-student portal by using Html and CSS.
